

The Friends of the Puyallup Riverwalk are seeking community support for our 2022 All Along the Riverwalk Arts and Education Festival.

While our inaugural Festival began with a combination of in-person and virtual events in 2020, with the support of the community, we plan to bring the festival out in full force on June 18, 2022 and transform it into an annual event people can look forward to year after year.

The Festival is a unifying force, bringing together partners across the county including the Tacoma Art Museum, Puyallup School District, and Pierce County Conservation District. As we continue to organize, we hope to gain the support of municipalities, businesses and individuals from Ruston to Rainier.

The event is the perfect opportunity to share your art, local organization, environmental cause, educational materials, or business with the community. Participating is easy and a great way to connect with your friends and neighbors.
